### **Learning outcomes**

Artistic creation course

The aim is to enhance the students' ability to formulate and show an artistic wholeness.

The aim is the students' comprehensive development for artistic work.

Special importance is attributed to the object that analytical insight should be shown in the artistic creation.

### **Course content**

A performance workshop for two weeks where we examine the creative process. You will practically work on several smaller performances in groups and independently, which we analyze and discuss together.

Topics and questions during the workshop:

How do you put the foundation for a creative process?  
The different phases of the creative process - From concept work to display  
How do you make decisions in the process, what to keep and what to leave?  
When is the work ready to be shown?  
How do you create a favorable platform/base to operate from?

## **Course design**

The course consists of seminars with a vital element of discussion supervised by the responsible teacher/s.  
The participants will also present their own work and discuss it in the group.

## **Assessment**

For the grade pass the student needs to be at least 80% present at lectures and seminars and receive the grade pass on tasks, if any.

The examiner, in consultation with Disability Support Services, may deviate from the regular form of examination in order to provide a permanently disabled student with a form of examination equivalent to that of a student without a disability.

## **Grades**

Marking scale: Fail, Pass.
