

Student representatives at Malmö Art Academy academic year 2023 - 24

Student representatives Student Union - 2 students:

The Student Union at Malmö Faculty of Fine and Performing Arts, is an independent organization governed by elected student representatives from Malmö Academy of Music, Malmö Art Academy and Malmö Theatre Academy. The Student Union is represented on different committees and boards at the schools including the Faculty Board which is the highest decision making body for the entire Faculty. The Student Union's board is responsible for promoting student interests and participation in all matters concerning the Faculty of Fine and Performing Arts. The student union is a religiously and politically independent organization with a mission to represent the students and their interests. There is a local section at Malmö Art Academy.
